in the cup.

## GROUNDBREAKER

### FEATURES

4.3" LCD Touch Screen

New Motor with Inverter

Autotamper

Perfect Grinding System (PGS)

Flat Burrs with Red Speed

Innovative Design

USB Port

Bluetooth

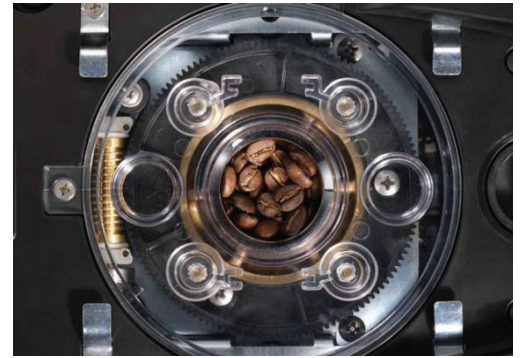

Barista Drive System (BDS)

### The compact, elegant design

is fitted with a new motor equipped with an Inverter, with low energy expenditure, which guarantees constant performance over time even after intensive use. Groundbreaker's compact size enables optimal use even in small spaces.

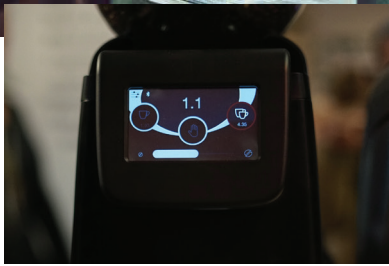

Groundbreaker can interface with the most advanced FAEMA machines. It most naturally combines with the E71 series.

**Get the desired result every time by simply adjusting the Groundbreaker's grinders**

Baristas can choose and configure the programs thanks to a selection of customized settings. With Groundbreaker, you can quickly access the components of the product to check its status, make the appropriate adjustments and implement the cleaning cycle in total safety and with simple operations performed by a specialized technician.

**Designed to make your job easier**

The Groundbreaker 4.3" touchscreen display is easy to use and completely customizable

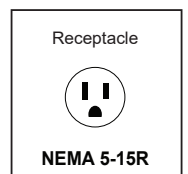

**The perfectly balanced hopper** can be placed in a stable position on the worktop, making it easier to refill the Groundbreaker and simplify its cleaning and adjustment.
